## PROFILE

Full Stack Developer with a strong foundation in both frontend and backend technologies, including React and Node.js. Passionate about building responsive web applications and continuously learning to stay ahead in a fast-paced tech environment.

## EDUCATION

Greater Noida College of Technology

Greater Noida, India

**Bachelor of Engineering** in computer Science and engineering

2023 – 2027

## Core Skills & Technical Expertise

- **Programming Languages:** Proficient in Python and JavaScript, leveraging both for scalable, efficient, and clean code development.
- **Frontend Development:** Experienced in building responsive, mobile-first web interfaces using HTML, CSS, React.js, and modern frameworks.
- **Styling & UI Libraries:** Skilled in Bootstrap and Tailwind CSS to create pixel-perfect, fast-loading designs; adept at integrating GSAP for smooth animations and enhanced user experience.
- **Web Performance & Accessibility:** Focused on optimizing front-end code for speed, cross-browser compatibility, and WCAG accessibility standards.
- **Collaboration & Tools:** Familiar with Git/GitHub for version control, agile workflows, and cross-functional collaboration.

## EXPERIENCE

Tensorik

Andhra Pradesh, India

Front- End developer

18/06/2025 - 18/08/2025

- Developed user-friendly and responsive web pages using HTML, CSS, and JavaScript.
- Collaborated with designers and backend developers to improve website functionality.
- Fixed bugs and optimized website performance for faster loading.
- Ensured cross-browser compatibility and mobile responsiveness.
- Participated in team meetings and contributed ideas to enhance the user experience.

## PROJECTS

Aradhya Motor Training School

04/03/2025 - 09/04/2025

- Developed a responsive and scalable driving training web application with full pick up and drop functionality.

- **Key Features:**
- Responsive UI built with React.
- Backend built using Node.js/Express/MongoDB.

## ACHIEVEMENTS

- Won the Innovisionary 2.0 organised in college.
- Got 2<sup>nd</sup> position in Innower Tech Fest in college.
